Specialty: Urology

Education and training

Medical education: Case Western Reserve University School of Medicine (Degree earned: MD)

Residencies: University of Wisconsin Hospital and Clinics - Urology

Board certified: Urology - American Board of Urology

Profile

Board-certified urologist Mark Waples, MD, has special interest and experience in the management of kidney cancer and renal masses, as well as in benign diseases of the prostate and kidney stones. Dr. Waples' experience with robotic kidney cancer surgery is the highest in the state and among the highest in the country. He also has a large amount of experience with open nephrectomy and partial nephrectomy for complex and/or advanced renal cancers.

Dr. Waples is a member of the Milwaukee Surgical Society and is a fellow of the American College of Surgeons. He has been recognized multiple times as one of Milwaukee Magazine's "Top Doctors." He also has been voted by his peers as one of the "Best Doctors in America" (Best Doctors Inc.) annually since 2008. He currently serves as chief of surgery at Aurora St. Luke's Medical Center.

As a service to Spanish-speaking patients, Dr. Waples offers interpretation services at his office adjacent to Aurora St. Luke's Medical Center. (09/12)
