

*If your county does not have a clinic, we have listed near by clinics that may be able to assist you.

*NOTE: This is not a complete list. It was updated in the summer of 2009 using information made available to the WDA at that time by individual dental clinics. Some clinics may have changed their hours of operation or scope of dental services since this listing was prepared. The WDA makes no representations or warranties as to the continuing accuracy of this information and we will make no effort to verify or update the information other than on an annual basis. ForwardHealth interchange Member Services can also be reached at 800-362-3002 to locate a dentist.
