

Help Support Twin Counties Free Clinic

The mission of Twin Counties Free Clinic is to provide free, basic, non-emergency medical diagnostic and treatment services for adult residents of Marinette and Menominee Counties who lack sufficient resources to otherwise obtain these services. Volunteer health care professionals and other community members deliver care in a compassionate, confidential and professional manner with respect for human dignity.

Since 2000, Twin Counties Free Clinic has had over 5200 patient visits, averaging 566 patient visits/year. We anticipate our patient numbers will increase as the number of uninsured increases. Your donation will help the Clinic continue its mission.

Aurora Health Care has supported Twin Counties Free Clinic continually since the inception of the Clinic. Twin Counties Free Clinic is a proud member of the Marinette Menominee Area Chamber of Commerce.
