## Profile

Dr. Miller-McCarthy is an obstetrician and gynecologist with additional training in family practice. She stresses good communication in the doctor-patient relationship and ensures her patients are actively involved in decisions about their care. Her approach to medicine also includes an emphasis on healthy lifestyles and preventative medicine.

She received her medical degree from the University of Wisconsin in Madison. During her residency at the Medical College Wisconsin, Dr. Miller-McCarthy served as chief resident.
