Profile

Raman Khanna, MD, is a board certified gastroenterologist with special interest in preventive care of diseases, especially colon, pancreato-biliary and esophageal cancers. He enjoys all aspects of therapeutic endoscopy with endoscopic control of GI bleeding, removal of bile duct stones and colon polyps, and placement of esophageal, enteral, colonic and biliary stents for palliative purposes. He has keen interest in reflux disease and inflammatory bowel disease (Crohn's disease and ulcerative colitis), including newer modalities in diagnosis and therapy. (05/09)
