Board certified: Pediatrics - American Board of Pediatrics

Practice address(es)

Aurora Advanced Healthcare
13850 West Capitol Dr.
Brookfield, WI 53005
(262) 790-1118

Profile

I enjoy working with children of all ages. Through a partnership with both the child and parent, I emphasize the importance of good health habits which will benefit the child as they grown into adulthood. I received my M.D. from the Medical College of Wisconsin in 1992. My Pediatric internship and residency were both completed at Children's Hospital of Wisconsin and I am Board Certified in Pediatrics. Professionally, I am interested in child growth and development, teaching good nutrition and health habits, and the prevention and treatment of childhood illnesses and disease. Away from the clinic, I enjoy spending quality time with my husband and three children. We enjoy outdoor activities such as biking and swimming. I also love to garden.
