

Experience the Aurora Difference

- Aurora leads the way in offering patients access to advanced thinking, medical breakthroughs, and state-of-the-art diagnostics.
- Our patients receive seamless care between our hospitals to connect them with the most advanced medical resources in the state.
Milwaukee metro hospitals include:
 - Aurora St. Luke's Medical Center
 - Aurora Sinai Medical Center
 - West Allis Memorial Hospital and the Aurora Women's Pavilion
 - St. Luke's South Shore
 - Aurora Medical Center of Washington County
- Aurora St. Luke's Medical Center offers breakthrough treatments not available anywhere else in the state in the areas of heart, cancer, and neurological care. It is one of the nation's top 10 volume heart hospitals with a life-saving 24-hour catheterization lab and advanced technology on-site, around the clock.

New Patients Welcome

For your convenience, our health centers are located nearly 15 minutes from where you live or work.
