

**Doesn't everyone deserve world-class health care close to home? We think so.**

- *Robotic heart surgery*
- *All-digital diagnostics*
- *Aurora eICU® Care*
- *Handheld prescription writers*

Where you live is important to you. You like the sights and sounds. The pace of life. Or, maybe it's having friends and family just around the corner. That's why the people of Aurora Health Care are committed to bringing leading-edge health care to every community we serve. Not just to the biggest cities in Wisconsin, but to our hometowns and neighborhoods as well.
