

## **Clinical Trials Billing Form Procedure**

### **Scope**

To include all Aurora Health Care departments and/or Billing Departments for physician groups who provide research related services to research subjects.

### **Purpose**

To assure proper billing and coding of research related services to be covered either by a study sponsor or Medicare/insurance.

### **Procedure**

The Clinical Trials Billing Form will be completed by the Research Coordinator and emailed to the appropriate areas each time a research subject has research related services provided through Aurora Health Care.
