

Computer ID and passwords

Nursing Instructors and students may obtain a Cerner ID and password.

- For ID and password, each school must submit the **FVHCA Student/Faculty Information Form**, at minimum, three weeks prior to the semester.

See www.fvhca.org, "forms" tab.

- In order to obtain IDs and passwords, the following information must included:
 - Last Name, First Name, Middle Name
 - Date of birth
 - Last four digits of the Social Security Number or student ID
 - Position (student or Instructor)
 - RN License Number (Instructors only)
 - Aurora site
- Once an instructor has an ID and password, it is valid for one clinical year.
- Submit this information minimally 3 weeks prior to the semester in order to ensure students/instructor access to the computer at the start of clinical.
