

### **Job Shadow Verification Form**

**Job shadowing is required prior to applying to the sonography program.** Shadow candidates must be 18 or older.

Each candidate must complete a minimum of four (4) hours in cardiac AND a minimum of four (4) hours in general/vascular

- Acceptable sites for job shadowing experience are a hospital or medical center

Multiple forms can be used for additional job shadowing experiences (only include additional shadows on subsequent forms).

I verify that the student whose name is listed below has completed

\_\_\_\_\_ hours of job-shadowing experience on \_\_\_\_\_.  
(Month, Day, Year)
