Appendix

Commercial, Employer and Private Insurance Chart
**Healthy Focus Plans** (formerly high risk pools) - includes patients currently in some other plans (i.e., high risk from Medicaid, SSI, dual eligible)
- Concept = more active management of those with chronic medical + mental health disorders; replaces Medicaid for elderly in nursing homes

**Healthy Children and Young Adult Plans** (formerly Medicaid) - runs only from birth to age 26

**Flexible Individual and Group Plans** - replaces exchange; focuses on basic plan for young adults

**Commercial, Private, Overlay** - Employer based insurance, open market, individual plans, plans for purchase that enhance coverage
