

Document Name	Aurora Clinic Placement Information & Hospital Unit Descriptions / Contact Information (For School Placement Coordinators and Instructors)
Date / Version	6/26/2020

DOCUMENT PURPOSE:

The purpose of this document is to provide unit information for college and university student placement coordinators and nursing instructors for the Wisconsin Advocate Aurora Health hospitals and home health.

Medical Assistant Student Placement Locations

MA Student placement requests will include the geographic area in which the student wishes to be placed. We will collaborate to secure placement at a site which can provide the best learning experience with exposure to multiple departments.

This document will also list the following for hospitals and home health:

- Nursing Education and Professional Development (NEPD) hospital site educator
- Unit manager’s name and contact information
- Unit phone number.

Wisconsin Advocate Aurora Health hospitals:

Aurora BayCare Medical Center..... 2

Aurora Grafton Medical Center..... 3
