Go to Caregiver Connect >> Go to Learning Connection >> Click Find Learning >> Search for the curriculum listed in red below.

These Epic e-learnings are in a curriculum that you need to enroll yourself in:

- **5058601EINPSTUDRN – Epic Inpatient Student Nurse Curriculum**

These are the e-learnings that you will see in the curriculum:

1. **Epic Overview of “Hyperspace” in an Inpatient Setting (5058601CLNINP001) 8/4/20**
   - Student Nurses should NOT acknowledge any orders as shown in the video.
   - We do not chart in Celsius for a Temperature as shown in the video.
   - We use Sign in to assign ourselves to the patient’s treatment team.

2. **Epic “Overview of the Brain” (5058601INP084)**
   - Student Nurses should NOT acknowledge any orders as shown in the video.

3. **Epic Documenting in “Flowsheets” (5058601INP061)**

4. **Epic Manage LDAs Using the LDA “Avatar” (5058601INP085)**

5. **Epic “Validating Monitor” Data (5058601INP163)**

6. **Epic “Nurse Specimen Collection” (5058601INP069)**
   - When collecting specimens: You will need to enter the Label Printer you are using. This is not seen in the video since we can’t set it up for training.
   - You may skip the section regarding Point of Care Tests (POC).

7. **Epic Document “Patient Education” (5058601INP074)**
   - Only watch through Document patient education. No need to answer questions at the end.

8. **Epic “Administering Medications” on the MAR (5058601INP062)**

9. **Epic “Advanced Medication” Administration on the MAR (5058601INP162)**
   - Only watch through Indicate a Dose was given late.
   - Questions at the end are not appropriate for Nurse Students either.
