Communication Method Disclosure and Consent

Aurora Health Care requires a Guarantor be associated to each medical service account. The Guarantor may or may not be the patient receiving services but is the person who is financially responsible for payment of any charges/balances for the services received.

Aurora Health Care communicates with its patient population in a variety of ways, using information the Guarantor provides, including land line phone, cellular phone, text messaging, email, fax messaging and U.S. mail.

By providing your cell phone number during the registration process, you

1. Consent and agree to receive telephone calls, text messages, and other communications, including autodialed calls and pre-recorded messages from Aurora Health Care, its affiliates, agents, independent contractors and collection agents. These calls may be in regard to services received at Aurora Health Care and your financial obligations related to those services. I understand this consent applies to all current and future medical service accounts for which I am the Guarantor.

2. Understand you may be charged for such calls, messages, or other communications by your wireless carrier.

3. I understand it is my responsibility to inform Aurora Health Care if I choose to withdraw this permission. I can withdraw this consent at any time by contacting any of our Aurora Health Care facilities.

I have read, fully understand and agree to the above:
