AURORA SINAI MEDICAL CENTER

386 BEDS
568 PHYSICIANS
52 SPECIALTIES
542 NURSES

PART OF A TOP 10 NOT-FOR-PROFIT HEALTH SYSTEM

Aurora Sinai Medical Center is a comprehensive community hospital providing state-of-the-art services in downtown Milwaukee with a strong focus on supporting greater racial equity and civil rights as well as serving the underserved and those with limited health care access. We have strong academic affiliations and serve as the home for medical residency and fellowship programs. A nationally recognized health care provider, we offer a wide range of medical specialties in a culturally affirming and compassionate way to help all people live well.

NATIONALLY RECOGNIZED FOR EXCELLENCE

CLINICAL EXPERTISE AND SPECIALTIES

Cardiovascular Services
State-of-the-art services including an electrophysiology program that’s recognized worldwide, a peripheral vascular clinic, and a pacemaker clinic

LGBTQ Care
Caring, compassionate and cutting-edge gender affirming surgical program

Orthopedic Care
An extensive program including non-surgical options and minimally invasive procedures with computer and robotic-arm assisted surgical technology.

Bariatric Surgery Services
A designated Bariatric Surgery Center of Excellence offering both traditional bariatric surgery and proven minimally invasive options for treating severe obesity

Senior Services
Acute Care for the Elderly Unit is Wisconsin’s first inpatient unit dedicated to improving hospital care for older patients in a homelike setting. Center for Senior Health and Longevity, located on campus, is dedicated to outpatient care in areas of memory loss, falls and balance, and geriatric evaluation management

Aurora Sports Medicine Institute
Comprehensive services for a variety of levels of exercise including injury evaluations, custom orthotics and rehabilitation services

Women’s Health Care
Wisconsin’s largest midwifery practice, specialized high-risk pregnancy care, and downtown Milwaukee’s only Level III neonatal intensive care unit as well as gynecologic surgery, pelvic floor therapy and Sexual Assault Treatment Center

CARING FOR OUR COMMUNITIES

Baby box distributions provide a safe place for babies born in our facility to sleep in their first few months of life.

Trauma-informed care and follow up referrals for survivors of sexual violence to receive counseling, collect evidence and more.

Refugee services were provided including health screenings and referrals that help refugees establish a health home.
