PART OF A
TOP 12
NOT-FOR-PROFIT HEALTH SYSTEM

Advocate Children’s Hospital is one of the largest network providers of pediatric services in Illinois. A major referral center for infants and children, our two main campuses in Oak Lawn and Park Ridge combine some of the country’s most respected medical talent with exceptional and compassionate care, making us a premier pediatric provider in the Midwest.

As part of the Chicagoland Children’s Health Alliance, we’re partners with Pediatrics at NorthShore University HealthSystem and University of Chicago Comer Children’s Hospital in providing personalized care coordination services for children and families. Through our alliance, we’ve formed an integrated and comprehensive network of pediatric experts, from primary to highly specialized care, as well as maternal fetal medicine.

Badges and Parking

**Badges:**
Students will wear their school-provided picture identification while on ACMC property. ID badges will be worn above the waist while on ACMC property. On-site clinical faculty will obtain an ACMC ID badge from public safety prior to the beginning of their rotation.

Students and faculty are required to wear an ACMC badge at ALL times while in clinical. Faculty can obtain all badges through the Christ ID badge coordinator. She can be reached by email at katrina.anderson@advocatehealth.com or (708) 684-4643

I.D. badges are the property of Advocate Health care and are to be returned on the last day of clinical. It is the responsibility of faculty/students to return badges. **There will be a charge for lost or non-returned badges**
Parking:
All students must park in lot 4 by Target. If lot 4 is closed, you may park in lot 2 or 3. Please see map on next page. There is no paperwork needed.
Follow policies and procedures of Advocate Aurora Health Care.

- Protect Security of EMR password and patient health information.

- **Student Observations** - Only 1 student per nursing area in one day is allowed. Jennifer Bak must be notified of scheduled observations of the students.

- Turn cell phones off while providing patient care.

- Wear the Advocate Identification badge and School ID badge at chest level at all times. Badges MUST BE returned at end of clinical.

- Dress in a professional manner following the respective School of Nursing Uniform Policy and be clearly identified as a student nurse. Students should not wear green scrubs unless in surgery or providing obstetrical care.

- Health Insurance Portability and Accountability Act (HIPAA) & Confidentiality
  - Ensure all patient specific information is kept private and confidential
  - Do not make copies or print from EMR

- Be prepared to work in the clinical setting in a safe manner that demonstrates professional standards and behavior.

- If a student becomes ill or is injured while in clinical a Rapid Response may be called, or they be taken to the emergency room for assessment/treatment. Emergency outpatient treatment will be available to students while in the hospital for clinical training, in case of accident or illness the hospital shall not bear the cost of the emergency treatment.
Epic access information

- Access will be coordinated by the Clinical Affiliations Coordinator and your school as appropriate, and instructions will be provided to your school.
- Students and faculty at each school are required to submit information in order to request access to the EPIC platform.
- A network user ID (AAH ID) is required to gain access to the EPIC application.
- If it is a NEW ID, an email will be sent to the student/faculty email address to sign the confidentiality statement and activate the account. This must be done before the user may login to EPIC.
- AAH ID and EPIC user ID Instructions: Read all directions carefully and follow specified instructions to either: Activate NEW ID per email received; Activate if no email received; Recover current AdvocateOne and Network ID; or Reset a current Advocate Aurora Network ID password.
- EPIC requires a password reset every 90 days. You may receive an email with a reminder.

If assistance is needed with EMR log-ins or other computer related issues: Contact the IS Help Desk at extension 52-7000 or 630-990-7000.
