Other Clinical Experience Requirements

Student/Faculty Parking & Entrance into the Hospital – see attached maps

- All students/faculty are to park in Parking W which is in the last two rows of the Wellness Center Parking lot or Parking F if clinical is on PM shifts. If coming after 7pm, you may park in the Employee/East Parking G deck on the 4th floor.
- Prelicensure Students: Picture ID with appropriate access will only be issued to faculty.
- On-site clinical faculty will obtain a GSAM ID badge from public safety prior to the beginning of their rotation. Please keep this badge for future use if returning for next clinical. Do not return to Security Office.
- All badge cards are the property of Good Samaritan Hospital. Lost or damaged cards can be replaced for $10 each by contacting the Clinical Affiliations Coordinator.

Student Identification

- Students will wear their school-provided picture identification while on GSAM property. ID badges will be worn above the waist while on GSAM property.

Restraints (Physical and/or Chemical)

- Students do not apply, administer, or document regarding restraints.
- Notify staff members for assistance.

Health Insurance Portability & Accountability Act (HIPAA) & Confidentiality

- Ensure that all patient specific information is kept private and confidential.
- Do not make copies or print from the medical record.

Access to the Patient’s Electronic Medical Record (EPIC)

- Access takes several weeks to process so it is strongly recommended that faculty and students assigned to rotations in mCE (myClinicalExchange) complete required compliance several weeks prior to the clinical start date.
- Access will be processed based on report pulled from mCE (myClinicalExchange) when compliance is complete, and instructor or student shows Green Thumbs Up.
- A user ID (Network ID/AAH ID) is required to gain access to the EPIC application.
- If it is a NEW ID, an email from will be sent to the student/faculty email address to sign the confidentiality statement and activate the account. This must be done before the user may login to EPIC.
- AAH/ID and EPIC user ID Instructions: Read all directions carefully and follow specified instructions to either: Activate NEW ID per email received; Activate if no email received; Recover current Network ID/AAH ID; or reset a current Advocate Aurora Network ID password.
- EPIC requires a password reset every 90 days. You may receive an email with a reminder.

Other Helpful Hints

- Be cognizant of the noise level on the units.
- Communicate with the staff you will be working with (i.e., tasks you can do independently, tasks that must be performed with the faculty, or tasks you are NOT permitted to do, etc.)
- Offer assistance or seek out additional learning experiences during your down time.
- When in doubt, look up the Policy and Procedure.
