Clinical Experience Requirements & Information

Student/Faculty Parking & Entrance into the Hospital – see attached maps

- Main hospital entrance hours are 6am-6pm. Utilize this entrance for your 1st clinical shift until you receive your facility access card. Park in the furthest spots away from the building in the area marked for employees. If you are starting outside of these hours for your 1st shift, you will need to plan with your preceptor a meeting place for building access.
- Access badges for entry into the facility via the employee entrances (Door 15 & 18) will be provided on your 1st clinical shift.
- Once access badges are received all students/faculty are to park in the employee parking lots located on the South side of the hospital campus.
- All access cards are the property of Aurora Medical Center Oshkosh. Lost or damaged cards can be replaced for $10 each by contacting the Clinical Affiliations Coordinator.

Student/Instructor Identification

- Students will wear their school-provided picture identification while on Aurora Medical Center - Oshkosh property.
- ID badges will be worn above the waist while on Aurora Medical Center - Oshkosh property.
- On-site clinical faculty will obtain an Aurora Medical Center - Oshkosh ID badge from public safety prior to the beginning of their rotation.
- If you work for Aurora, you cannot wear/use your teammate name badge.
- Send a JPG picture of yourself to site school liaison to obtain nursing faculty badge.
  - Take photo with a plain background.
  - Photo should include only head and shoulders.
  - Verify photo is a JPG format and straight up and down.
- You may be assigned an access/clam shell access card for access to utilities rooms and locker room.
- Instructor to send list of students to site school liaison to obtain access cards (if needed)

Food/Break Location

- Café’ on 1st floor, cash or credit card, ATM in main hospital lobby
  - Monday thru Thursday 6:30am - 6:00pm
  - Friday 6:30 – 4:00pm
  - Saturday and Sunday 7:00am - 1:00pm
- Café’ seating no restrictions
  - not to be utilized as a conference space or area to discuss patient care
- Vending area and microwaves available next to Café.
- No refrigeration space so if bringing lunch please pack accordingly.
Belongings

- Limit bringing any type of valuables unless you can keep on your person. Units do not have space for storing student belongings.
- There is a large closet area that can be used by students and is located, in the Hospital 2nd floor behind the inpatient lab in the education department hallway. We may have up to 2 student groups on site at a time, so try and keep clinical groups together using one section of the closet for storage so there is room for all.

Health Insurance Portability & Accountability Act (HIPAA) & Confidentiality

- Ensure that all patient specific information is kept private and confidential.
- Log off workstations when not using
- Do not make copies or print from the medical record
- Do not remove any patient information from the facility
- Use the unit confidential bin for disposal of any patient identifiable documents

Dress Code

- Follow your school clinical dress code
- Look professional; school uniforms/scrubs are acceptable

Other Helpful Hints

- Be cognizant of the noise level on the units
- Refrain from discussion regarding non-clinical related topics during your clinical (parties, drinking, inappropriate behavior)
- Communicate with the staff you will be working with (i.e., tasks you can do independently, tasks that must be performed with the faculty, or tasks you are NOT permitted to do, etc.)
- Offer your assistance when not actively caring for patients. Please ask the RNs and CNAs how you can help – answer call lights, round, visit with patients, etc.
- Cell phones should not be in use during clinical
- When in doubt, look up the Policy and Procedure

Tabs of Interest
- Instructor orientation
- Orientation for instructors and students
  - Outlines pre-clinical orientation requirement steps
  - Guides and resources for navigation of login process and required learning modules

Instructors:

Student Off-Unit Experiences:

- Off-unit experiences will ONLY be scheduled through the clinical affiliations site liaison. With the changing nature of health care and to protect both patients and students, there may be times
when these experiences may be limited or suspended – increased number of patients in isolation, limited census in a department, high number of orientees in a department, other clinical groups present in a department, etc. Every effort is made to allow students at least 1 off-unit experience during their clinical rotation at Oshkosh.

- If a student’s patient goes to another department for a procedure, for example a radiology test, the student may follow the patient if the patient and receiving department give consent.
- If a student, group, or instructor are seeking out off-unit experiences without the support of the site liaison, that clinical group will not be allowed off-unit experiences that rotation. This includes emailing, calling, or stopping by the department to inquire about opportunities for students to shadow.

Post Conference Room Space:
- Must be arranged through the clinical affiliations site liaison
- Space is limited and site needs will always override any clinical group reservation (ensure you have a backup plan)
