BADGES

All clinical students & faculty are required to wear a badge that identifies them as a student or faculty. If you work in Aurora or Advocate, you may not wear/use your teammate name badge.

Students will wear their school-provided picture identification while on Aurora Medical Center Sheboygan County Property. ID badges will be worn above the waist while on AMCSC property. On-site clinical faculty will obtain an Aurora Medical Center Sheboygan County ID badge from public safety prior to the beginning of their rotation.

The site Clinical Affiliations Liaison (Nancy Niesing) will contact faculty about how to obtain their badge. If an Aurora badge is issued to Nursing Faculty, send a JPG picture of yourself to the site Clinical Liaison.

- Take photo with a plain background.
- Photo should include only head and shoulders.
- Verify photo is a JPG format and straight up and down.

In addition, a blank general access badge is provided by AMCSC so students can access supplies and break rooms.

Badges may be picked up from the Public Safety office on the first day of clinical.

All badges issued by AMCSC must be returned to Public Safety prior to leaving on the last day of clinical.

EPIC ACCESS

EPIC Access will be coordinated by WI Clinical Affiliations. If having access issues once on site, please call the AAH Help Desk at 800.889.9677. When you call, please reference the ticket number from the Service Desk or WI Clinical Affiliations email you received with your access information.

PYXIS ACCESS

Only instructors will be granted Pyxis access. If you have trouble with Pyxis access, please contact the Help Desk. Students are not allowed to remove medications independently or be in the medication room without an RN.
Thank you for choosing Aurora Medical Center Sheboygan County for your clinical experience. We look forward to working with you and supporting you in achieving your goals.
