AURORA MEDICAL CENTER – BAY AREA

Aurora Medical Center – Bay Area in northeast Wisconsin opened in August 2018 and is a modern facility set on 91 acres of serene wooded surroundings. With spacious, private rooms and family lounges in every room, we offer high-quality, cost-efficient care to help you and your family live well.

NATIONALLY RECOGNIZED FOR EXCELLENCE

Orthopedics
Our facility is home to an experienced staff of physical and occupational therapists, including BayCare Orthopedic Surgeons, a multi-specialty group that sees patients and performs procedures in the hospital.

Women’s Health
The only facility for deliveries in the county with one-stop care including digital mammography, incontinence treatment, obstetrics, osteoporosis treatment and more.

Cancer Center
The cancer center provides full medical and radiation oncology services. The team has committed, experienced staff that create a warm, friendly and encouraging place to heal the body, mind and spirit.

Emergency Care
24 hours a day, 7 days a week, our emergency care team is here for you with lift support ambulances, volunteer rescue squads and an integrated ambulatory team.

Primary Care
Primary care is here for all your medical needs, listening to your concerns and giving you top-notch care.

Cardiac Health
Aurora BayCare Cardiology is committed to helping you lead a healthier life through prevention, diagnosis and treatment of heart and vascular disease.

Outpatient Surgery
The latest techniques and technologies to perform various procedures, including blood transfusions, IV therapy, presurgical services and more.

CARING FOR OUR COMMUNITIES

Provided financial and medical support to Twin-Counties Free-Clinic in Marinette to improve access and overall health for the community.

Provided financial and medical staffing support to the Marinette, Menominee, Stephenson and Crivitz school district physical education programs.

Supporting the Marinette County Drug Court Treatment Program by providing a space to help combat drug and alcohol addiction in the community.
