Aurora Sinai Medical Center is a comprehensive community hospital providing state-of-the-art services in downtown Milwaukee with a strong focus on supporting greater racial equity and civil rights as well as serving the surrounding community. We have strong academic affiliations and serve as the home for medical residency and fellowship programs. A nationally recognized health care provider, we offer a wide range of medical specialties in a culturally affirming and compassionate way to help all people live well.

**NATIONALLY RECOGNIZED FOR EXCELLENCE**

**CLINICAL EXPERTISE AND SPECIALTIES**

**Cardiovascular Services**
State-of-the-art services including an electrophysiology program that’s recognized worldwide, a peripheral vascular clinic, and a pacemaker clinic

**LGBTQ Care**
Caring, compassionate and cutting-edge gender affirming surgical program

**Urology**
Treating a wide range of urological conditions for both men & women utilizing minimally invasive laser & robotic techniques. Wisconsin’s only site offering aquablation therapy, an innovative prostate technology.

**Bariatric Surgery Services**
A designated Bariatric Surgery Center of Excellence offering both traditional bariatric surgery and proven minimally invasive options for treating severe obesity

**Senior Services**
Acute Care for the Elderly is Wisconsin’s first inpatient unit dedicated to improving hospital care for older patients in a homelike setting. The on-campus Center for Senior Health and Longevity is dedicated to outpatient care for memory loss, falls and balance, and geriatric evaluation management.

**Orthopedics and Aurora Sports Health**
Non-surgical options and minimally invasive procedures with computer and robotic-arm assisted surgical technology, as well as comprehensive services for injury evaluations, custom orthotics and rehabilitation services

**Women’s Health Care**
Downtown Milwaukee’s largest midwifery practice, the only Level III neonatal intensive care unit in Milwaukee, and home to specialists in high-risk pregnancy care, gynecological surgery, pelvic floor therapy, and a dedicated fibroid clinic and Sexual Assault Treatment Center

**CARING FOR OUR COMMUNITIES**

- Access to a housing navigator who helps individuals find permanent housing through the Milwaukee Health Care Partnership Housing Initiative.
- Trauma-informed care and follow up referrals for patients including survivors of sexual violence to receive counseling, collect evidence and more.
- Refugee services were provided including health screenings and referrals that help refugees establish a health home.
